## **Editorial Note**

We are making an endeavor to communicate to all the members what CENTAFS has been/is doing, so that we can get more constructive views/ suggestions to improve further and take up meaningful causes and organize events to achieve desired aims.

This being a maiden issue is very skeletal in nature. We will keep adding more meat to it as we keep bringing out subsequent issues with more inputs pouring in from the members.

## **Medical Camp**

It was held on 27<sup>th</sup> Sept. 08, at Dr. Atul Bhasin's Hospital (1984), which was very well attended by a number of retired teachers.

## **Annual Get Together**

### **For a noble cause**

The school Principal Mrs. Deepika Thapar requested CENTAFS to sponsor a single parent child for the next two years as the mother is unable to afford the tuition fees. It is for your information that Ms. Shashi Sharma of 1967 batch volunteered and has already sent the first cheque for Rs. 8000.00 .

### **Pitch/chip in through Golf**

CENTAFS is organizing golf for a cause shortly at the Air Force Golf Course , Hindon. We request maximum golfers to participate. Your participation will

provide books for someone's education. You are welcome to join with your spouses who can participate in the golf or be part of the party-lunch follows. Detailed email to follow shortly.

Excess of tennis causes tennis elbow.  
What would excess of golf do.....

### Scholarships/freeships

We are working out the modalities for a few more scholarships/freeships to be sponsored in the academic sessions 2010 onwards. Details of the same would be informed once formalized.

### Batch Coordinators

Batch get togethers are being organized on regular basis by alumni of respective batches. CENTAFS has planned to request all those who have been taking a keen interest in getting everybody together to move on to a larger platform and get the batchmates together for activities/functions organized by CENTAFS. A separate mail is being sent to everyone to get volunteers as batch coordinators.
